

September 4, 2010
Motorcycles and vehicles
of all kinds are welcome
Staging will be at 9 a.m.
Ride Begins at 10 a.m.

To conclude at a Leavenworth Park where families of the Leavenworth 10 and LTC (ret) Allen West (a decorated veteran of Iraqi Freedom and a Congressional candidate in southern Florida) will speak. Entertainment and food will also be offered.

Our mission is to wholly support and work toward the release of The Leavenworth 10, a group of soldiers/Marines incarcerated at Ft. Leavenworth for killing members of Al-Qaeda or Iraqi insurgents. These decorated and committed soldiers/Marines who honorably served their country—achieving a significant number of combat medals over multiple deployments—are now serving sentences ranging between 10 and 40 years.

Join us September 4, 2010 for a Freedom Ride to bring awareness to their cases and most importantly let these soldiers/Marines know that we wholly and completely support each of them.
